

Coupons Guide

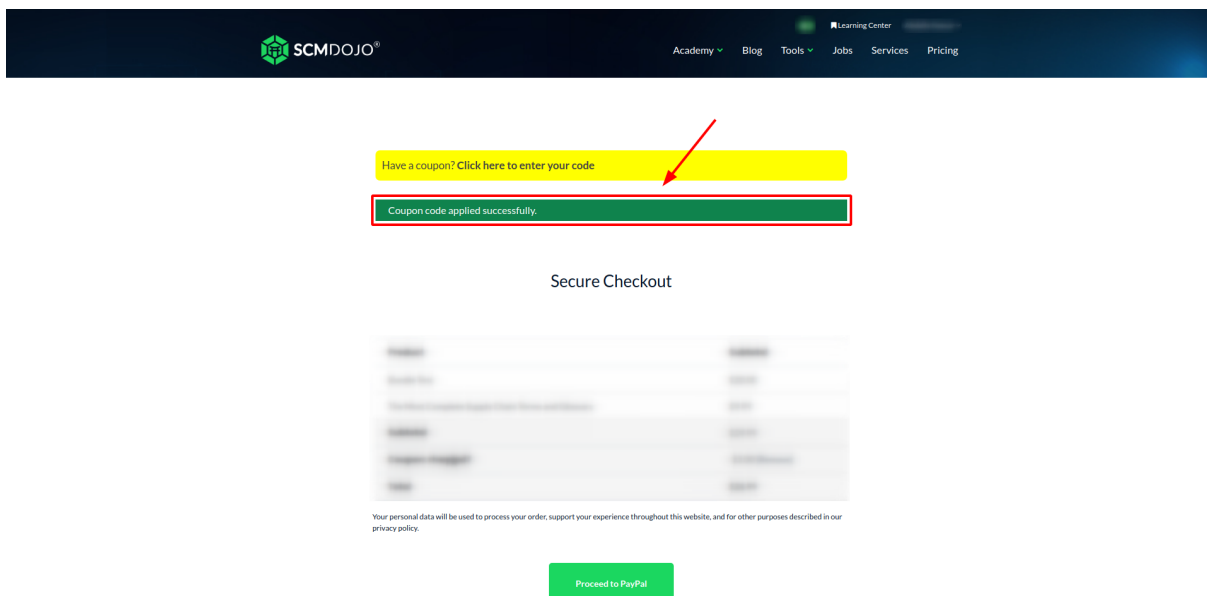

1- Proceed to Checkout Page and click on **“Click here to enter your code”**.

2- Type your coupon code and click on “**Apply Coupon**”.

3- You'll see a message saying “**Coupon code applied successfully**”.

4- Click on the button below and make your purchase.

The screenshot shows the SCMDOJO website's checkout process. At the top, there is a dark blue navigation bar with the SCMDOJO logo on the left and a menu on the right containing 'Academy', 'Blog', 'Tools', 'Jobs', 'Services', and 'Pricing'. Below the navigation bar, there are two horizontal bars: a yellow one that says 'Have a coupon? Click here to enter your code' and a green one that says 'Coupon code applied successfully.' The main heading is 'Secure Checkout'. Below this is a blurred table of order items. A red arrow points from the bottom of the table to a green button labeled 'Proceed to PayPal', which is enclosed in a red rectangular box. Below the button are logos for PayPal, VISA, MasterCard, and American Express. At the bottom of the page, there is a small privacy notice: 'Your personal data will be used to process your order, support your experience throughout this website, and for other purposes described in our privacy policy.'
